March 1, 2012

Dear Maple Valley Swim Club Member,

Maple Valley! Woot woot! We are so excited about a fantastic 2012 summer season. On the reverse side of this letter, you will find your 2012 invoice. Please be sure to send in your invoice and payment no later **than April 2, 2012** to avoid a late fee (\$25).

Also enclosed you will find a volunteer form. This year, we have to paint the pool before opening. So, we must raise the volunteer fee. But don't worry – we really would rather have your hard work than your money so there are plenty of opportunities to earn your volunteer deposit back. Including – this year you if you prefer to sell raffle tickets for our Memorial Day raffle fundraiser, you earn your volunteer deposit back as well. Otherwise, as long as you volunteer for at least 3 hours a season to help the pool in any of the ways listed on the volunteer form, you will receive your deposit check back. If by the closing of the pool for the season you have not fulfilled your 3 hour commitment, the pool will apply your \$60 to work that needs to be done around the pool.

**Please read, complete and return** the enclosed **volunteer form** along with a **separate \$60 check** with your **invoice** and **annual dues**.

**Again this year!! Refer a new member** for the 2012 swim season and **receive a refund of the \$60 Maintenance Deposit** (no volunteer hours required). In addition, you can **receive a free Guest Pass** (5 visits, a \$20 value) **for each additional new member recruited**. Just have the applicant fill in your name as a reference on the membership application.

We look forward to seeing everyone on a nice sunny Memorial Day weekend as we kick off our season!

Warm Regards,

Maple Valley Swim Club Board
